For Students going into 4th, 5th, 6th grade and older

Reservations: 203-261-0477 or holly@bluebuttonfarm.com

Possible weekly topics for the month of July and first week in August include:

Fun with Fleece

Learn all about fiber animals and how to prepare fleece. Make a Cold/Hot Pad, Dryer Balls, felt flowers, and some fiber art.

Horses, Horses

Make a stable for a model horse and all its accessories! Learn how to groom, saddle and bridle a real horse! (Riding lessons are optional and a separate fee.)

Farmhouse Baking

Learn to make tarts, cookies, jelly and teas using berries and herbs grown on the farm.

The Mouse House

Design a house for a mouse. Learn to make miniature furniture. Make a family of needle felted mice using wool from our sheep.

Art in the Garden

Create works of art that are farm and garden related. Projects include: suncatchers, spinners, and cement leaves.

The Succulent Desert Garden

Learn about succulents. Design a garden using broken pots.

Make garden accessories using polymer clay.

Charcuterie for Kids

Make a personalized serving tray. Learn about food pairings. Bake some pastries! Make some cheese!

All workshops will include: Hands-on projects, time for the pool (weather permitting), snack, lunch, and goats! Water provided, you bring lunch.
1 week 9:30 - 1:30 \$300

Because of Covid, we are asking you to make up your groups. This way you know the children in your group and what you are comfortable with and it will be easier to carpool.
Maximum 10 per class.

Looking for something else? Please ask! Get your group together. I need at least a \$500 deposit to reserve a week.
